Cut Your Store Bill Down One Half

Tens of thousands of farmers as well as town and city folks cut down their store bills one-half last year and saved money in spite of generally short crops and reduced wages.

Absolutely millions of dollars were saved and countless families lived better than ever before in the face of the cotton crisis and general business depression.

How were these burdensome store bills cut down? By the real money-saving power of good home gardens, rightly planted and kept planted and tended through the season.

Hastings 1916 Seed Catalogue tells how to cut store bills down; tells about garden and farm seeds of kinds and a quality that cannot be bought from your merchant or druggist. It's full of garden and farm information. It's free if you ask for it. Write for it now. **H. G. HASTINGS CO., Atlanta, Ga.—(Adv.)**

Obituary

Bro. W. T. Jones was born Feb. 18th, 1848 and was married to Miss Martha J. Kemp Feb. 25th, 1872. To them were born three children, two boys and one daughter, the latter dying at the age of three years. Bro. Jones professed a hope in Christ and joined the Missionary Baptist church at Defeated creek Feb. 1885, and lived a consistent and an honored member until his death. Bro. Jones departed this life Feb. 22, 1916, aged 68 years and four days, and is survived by his wife, two sons, three brothers, one sister and a host of many friends and relatives to mourn his loss. He told them he was ready to go. He was the son of that noted Baptist deacon, Willy Jones. The funeral services were conducted by his pastor, C. B. Massey, in the presence of a large congregation of people. The remains were interred in the Kemp cemetery on Defeated creek by G. F. M. Russell, undertaker.

Bro. Jones was a good man; a standing citizen of his county; a good church member; a strong Baptist, who loved his church and pastor; and he loved the doctrines of his church. He was a good neighbor. Those who lived near him through life speak of him in the highest terms. He was a kind husband, highly respecting his companion, with whom he lived happily for 44 years; and he was a good, tender loving father. Boys, father's gone never to return and you will never hear his voice again in this life, therefore, try to meet him up yonder. Sister Jones, it won't be long until you will soon join him over there. Brothers and sister, take courage. We mourn not as those who have no hope; the gentle hand that guided him through the valley and shadow of death will soon come for you, and through that mystic stream you will pass safely only to be happy over there.

Bro. Jones was born in February, was married in February, professed religion in February, joined the church in February, was baptized in February, and died in February.

May the good Lord bless the bereaved family, is the prayer prayed by his pastor.

HUSBAND RESCUED DESPAIRING WIFE

After Four Years of Discouraging
Conditions, Mrs. Bullock Gave
Up in Despair. Husband
Came to Rescue.

Cartron, Ky.—In an interesting letter from this place, Mrs. Bettie Bullock writes as follows: "I suffered for four years, with womanly troubles, and during this time, I could only sit up for a little while, and could not walk anywhere at all. At times, I would have severe pains in my left side.

The doctor was called in, and his treatment relieved me for a while, but I was soon confined to my bed again. After that, nothing seemed to do me any good.

I had gotten so weak I could not stand, and I gave up in despair.

At last, my husband got me a bottle of Cardui, the woman's tonic, and I commenced taking it. From the very first dose, I could tell it was helping me. I can now walk two miles without it tiring me, and am doing all my work."

If you are all run down from womanly troubles, don't give up in despair. Try Cardui, the woman's tonic. It has helped more than a million women, in its 50 years of continuous success, and should surely help you, too. Your druggist has sold Cardui for years. He knows what it will do. Ask him. He will recommend it. Begin taking Cardui today.

TWELVE YEARS OF FAILING HEALTH

Brought to happy End. Says The
People in Three Counties Know
What Cardui Did For Her.

Weaverville, N. C.—Mrs. Abigail Hampton, of this place, says that about 12 years ago she began to take Cardui after having been in failing health twelve years, during which time she had to take to her bed four days out of each month, and suffered agony, that the doctors told her she must have female trouble and gave her medicine which did her no good and finally insisted on her going to the hospital for treatment.

She goes on to say: "I am a large woman, and my ordinary weight, 160 pounds, went down to 135. I got so bad I just dragged around and could scarcely sit up—My neighbors all thought I was going to die and would say I couldn't live long. My little daughter thought the same.

My husband and friends urged me to try Cardui, and he bought me some of it. I began feeling better as soon as I began taking it, and I steadily improved until I was well and strong. I make my garden, do my housework and have cooked for 20 boarders at one time. Am a strong, healthy woman, permanently cured by Cardui. My husband and I can't say enough for Cardui—The people in three counties know what this medicine has done for me, for neither I nor my husband ever cease praising it."

Cardui is for sale at all druggists with full directions for use. Try it.

Taking No Chances

An epileptic dropped in a fit on the streets of Boston not long ago, and was taken to a hospital. Upon removing his coat there was found pinned to his waistcoat a slip of paper on which was written: "This is to inform the house surgeon that this is just a case of plain fit, not appendicitis. My appendix has already been removed twice."
